2017 VAPOR RECOVERY TOWER

48" x 30' x 75 psi

2017 Vapor Recovery Tower

48" x 30' x 75 psi

Surplus Inventory Buyers:

This is just one example of our own inventory of vessels, compression, measurement, storage, refrigeration, and much more surplus, but we also have access and rights to complete package units and plant systems. Give us the lead on outfitting your next small-to-large project and we like to say... "We are Johnny on the spot"!

We are pleased to offer you the following for your consideration:

Description: 48" x 30' x 75 PSIG Vapor Recovery Tower
